

Golden Opportunity Charm | Material & Care Guide

Material

This product is 3D printed with Silk PLA+ (Gold), offering a premium metallic finish with high visual appeal and smooth texture.

Care Instructions

- Avoid prolonged exposure to direct sunlight to prevent color fading.
- Do not expose to temperatures above 55C (131F) - PLA may soften.
- Clean gently with a dry microfiber cloth; avoid harsh chemicals.
- Keep away from abrasive surfaces to maintain smooth silk finish.
- Store in a cool, dry place when not in use.

POG Squad - Designed for collectors, made to last.
